Welcome to Moments To Remember Photography. With over 25 years experience in traditional and photojournalistic photography, we take pride in providing the highest quality of photographic services. Fully digital and located in a comfortable, inviting home-like studio, MTR has the creativity, versatility and experience to confidently capture the events of your special day.

You and your photographer will work together to create just the right look and feel of your event. From the style of shooting, whether traditional, journalistic or candid; to the choice of photos; black and white, color or sepia; to the design and layout of your album, MTR listens to you. We customize your day to your individual style and preferences.

MTR offers a variety of choices for your event. Choose from unlimited time or limited time packages as well as a variety of sizes and styles of albums. All of our album packages, unless noted, include a beautifully custom designed layout. In choosing MTR, you will have the confidence in knowing your event will forever be a "Moment to Remember".

Listed below are the packages and other photographic items available. Please feel free to ask any questions. Customized packages are available.
